

Creator vs. Macro-evolution

	Biblical Creation	Macro-evolution
Person	Creator ("God") – Genesis 1	No Person
God	Revealed – Genesis 1 ("In the beginning God")	Does not exist
Process	Orderly process – Genesis.. 1	Random process
Uniqueness	Each unique – Genesis 1 ("fearfully and wonderfully made")	Each an accident
Man Special?	Man special – Genesis 1 ("made in our image")	Man not special
Man and time	Man created near the BEGINNING of time – Genesis 1	Man evolved near the END of evolutionary time
Origin/Offspring	Living things (organisms) after own "kind" – Genesis 1	Living things (organisms) after same single cell
Distinctness	Each thing created distinct Genesis 1	Each thing from same origin
Temperature	Cool ("water") – Genesis 1	Initially hot, then cooled
Environment	Life sustaining – Genesis 1	Initially harsh
Morality	Defined by creator God – Exodus 20	Defined by masses and power
Rights	Come from God – Exodus 20	Come from government
Races	Single race, created in God's image – Genesis 1 & 8	Some 'races' more evolved
Who's involved	God's involved and cares – Genesis 1, John 3:16	Government involved
Involvement	Personal God – John 3:16	Impersonal chance
Love	Loving God (agape) "God so loved the world" – John 3:16	"Love" defined by society/culture - [eros/phileo]
Life approach	Positive approach [life after physical death] – John 3:16	Negative approach [death is the end]
Complexity	Decreases over time- Genesis 1	Increases over time
Change	Limited – Genesis 1	Unlimited
Death	Entered via one man's sin (Adam) – Genesis 1	Entered via random upward progression
